AUTOMOBILES BURN IN FREIGHT WRECK

Fourteen Cars Of Merchandise
Leave Tracks Of L. & N.
—Smash Up At Delmar

Fourteen freight cars full of merchandise some with new automobiles en route to southern dealers, were derailed at Delmar near White's Station, this county about 10 miles south of Richmond on the L. & N. railroad early this morning. Soon after the wreck, the derailed and smashed up cars started burning and it was thought that the entire cargo is endangered. All traffic has been blocked on this, the Cincinnati and Knoxville division of the road. The early morning train for the north, due here about 4 o'clock, has not yet come in and indications are that it will require some time to get the wreck cleared up, especially as attempts to check the fire at first seem unavailing.

Reports received in Richmond said that the wreck was caused by the flange of a wheel breaking. The car promptly jumped the track and 14 more piled up on and over it, causing a fearful smashup and tearing up the track for several hundred yards. So far as could be learned here, no member of the train crew was injured, however.

BEER AMENDMENT LOST BY 100,000 IN OHIO

Columbus, Nov. 9.—Practically complete returns from Tuesday's election last night failed to make any changes in the indicated winners developed from returns received last night and early today.

With reports complete from 71 of the 88 counties and only 230 precincts missing in the incomplete counties, S. D. Fess, republican, had obtained a safe majority of 42,227 over Senator Atlee Pomerene in the contest for Ohio's second seat in the United States Senate. The vote was: Fess 765,361; Pomerene 723,134.

While Carmi A. Thompson, republican candidate for governor and personal friend of President Harding, had reduced the lead of his democratic opponent A. V. Donahue, to 13,769 in 71 complete counties and only 230 precincts missing, it appeared improbable that he would be able to overcome the lead.

The total vote in 7,916 precincts of 8,710 on governor was: Thompson 780,239; Donahue 794,108.

The wine and beer amendment took a downward pitch after the city vote had been counted and the dry rural votes began to roll in and last night apparently had been defeated by a 100,000 majority. The vote in 7,135 precincts out of 8,176 was: For 636,585; Against 739,391.

Democrats have elected six of their congressional candidates to 14 by the republicans.

Clayhole Goes Democratic

Jackson, Ky., Nov. 9.—Clayhole precinct on Troublesome creek, the scene of a bloody battle on the 1921 election day in which four were wounded, was carried by the democrats by a vote of 50 to 14. This precinct has been divided since the 1921 election, and approximately 100 democrats have been put into another precinct. Breathitt county gave Congressman William J. Fields, democrat, a majority of 911 votes.

Lancaster Hi Fighting For State Championship

Lancaster, Ky., Nov. 9.—The Lancaster High school squad are hard at work this week for the most important game on their schedule. Covington High comes to Lancaster Friday with one defeat. Hughes High of Cincinnati, defeated them 6 to 0. If Lancaster Hi defeats Covington and they in turn take care of Lexington the week following, the local team will be standing high in the column claiming state honors. Lancaster has not been defeated this season and they have run up 266 scores to 26.

Michigan Repudiates

Newberry, sm Detroit, Nov. 9.—Former Governor Woodbridge N. Ferris, of Big Rapids, the first democrat in 70 years to be elected to the United States Senate from this state, continued to maintain his lead of approximately 17,000 last night over Senator Charles E. Townsend, republican, as further returns from Tuesday's election were received. With 2,596 of the 2,906 precincts reported, the vote stood: Ferris 274,186; Townsend 256,575. Governor Alex. J. Groesbeck, republican, and the state ticket won by majorities averaging two to one.

CONTROL OF CONGRESS STILL MUCH IN DOUBT

New York, Nov. 9.—Control of the next House continued in doubt, with the republicans leading 214 to 203 on returns received up to 1 o'clock Thursday morning. The 16 remaining districts, scattered throughout the country, held the key to the necessary 218 majority, with the prospect that the final result might not be known until this afternoon with a half dozen votes the margin. The republicans held the Senate, but by a reduction of a half dozen votes.

Republican casualties, which broke with the first returns of Tuesday, defeating Governor Miller and Senator Calder, of New York, continued with somewhat lessened force Wednesday as returns dribbled in. They told of further republican losses in the senate and house and governors and state legislators, although the belated congressional results were somewhat more favorable to the republicans.

Among the additional republican stalwarts who went down to defeat definitely Wednesday on additional results were Senators Kellogg of Minnesota, beaten by Dr. Hendrik Shipstead, farmer-laborite, and Senator Townsend, of Michigan, the latter losing to former Governor Woodbridge N. Ferris, the first democratic senator to be elected from Michigan in 70 years. Also definitely defeated, by Senator Kendrick, democrat, was Representative Mondell, of Wyoming, republican floor leader, who aspired to the senate.

Senator Lodge, of Massachusetts, it finally turned out, had a plurality of 8,425 over his democratic opponent, Colonel Gaston, instead of the 1,945 reported early Wednesday. Through a transposition of figures in the Associated Press tabulation Senator Lodge's plurality was shown as being reduced to 1,945 and other news distributing agencies in some manner arrived at the same figures.

Loss of control of the senate by the republicans was not anticipated, although they suffered a net loss of six. Eight republican senators were defeated, but this the party countered by defeating two democratic senators, Hitchcock, of Nebraska, and Pomerene, of Ohio. The republicans had carried 11 and the democrats 19 of the 35 senatorial contests. Of the five still in the balance, democrats were leading in all—Montana, Utah, New Mexico, West Virginia and Washington.

TURKS PARALYZE BUSINESS IN SMYRNA

(By Associated Press) Smyrna, Nov. 9.—Commerce is completely paralyzed throughout Asia Minor. REPUBLICANS BARELY CONTROL HOUSE

(By Associated Press) New York, Nov. 9.—Continued republican control of Congress, but with the senate majority cut in two and the house majority of 160 slashed to a scant handful appeared today as the net result of Tuesday's congressional elections with returns almost complete.

Tight races in a few undecided districts are not affecting the general result and delays in counting, however, threatened to postpone the final figures until tomorrow.

The latest figures show the next senate will have 52 republicans to 41 democrats; one Farmer-Labor, with the results in Washington and North Dakota still undecided.

Returns from all but three congressional districts where the results are still undecided at noon today, showed 224 republicans to 205 democrats, one Socialist, one independent and one Farmer-Labor elected to the new house.

DRIVE FOR HEALTH AND WELFARE BUDGET

League's Work During the Past Year Has Been Very Satisfactory In Every Way

Elaborate preparations are being made for the annual drive for the Health and Welfare budget which will be put on next Monday morning at 9:00. About a year ago the various philanthropic interests of Richmond were correlated under the Health and Welfare League and under this new plan the past year has been the most satisfactory in the history of Richmond.

A year's working of new plan justifies in the most emphatic way the organization, which through a very trying winter conducted the relief movements with the highest measure of success. Although the demands during the year have been unusual, able to tide over with the funds subscribed a year ago.

In the budget this year will be not only charity, health and relief funds, but also several hundred dollars for the completion of the funds for maintaining the public health nurse which has just begun her work in Richmond and Madison county. For years, a public health nurse has been one of Richmond's first needs and through the cooperation of the State Board of Health, City Council, fiscal court and other local organizations, a public health nurse has been secured. The fact that Madison is to have this long standing need met will offer a special inducement for contributions in the coming drive from every citizen of Richmond. County teams will also present the matter in other centers of the county.

PLAN HISTORICAL PAGEANT IN JUNE

Exchange Club Arranges For Big Event To Help Raise Funds For New Hospital.

The regular meeting of the Exchange Club met in the Glyndon Hotel with President R. L. Telford presiding over almost the entire membership present. Exchangeite Donovan was reported ill at his home on the Summit, and the Chair appointed Dr. Smoot to visit Mr. Donovan on behalf of the club and convey their sympathy.

A motion was introduced and unanimously carried that the Exchange Club meet in joint session with the Rotary Club at a dinner to be served by the Ladies of the Presbyterian Church in their beautiful church parlors. It was also suggested that the wives of the married members, and the lady friends of the single ones be invited to this dinner, which was unanimously carried.

The meeting was then turned over to a representative of the John B. Rogers Producing Co., of Fostoria, Ohio, who presented to the club the outline for a Historical Pageant his company wanted to sell to the club, whereby they would present to the people of Madison county and Richmond, through local talent, a complete history of the county from the creation up to now, and as final, a vision of all people co-operate for the betterment of the community. After much discussion on this matter it was moved that the Club Board of Control be given full power to act as they saw fit, and that the proceeds from this Pageant be given to the new hospital fund that will be started here next year.

After adjournment of the Club, the Board of Control met, and all business details were entered into, and it was agreed that the Exchange Club sign contracts with the John B. Rogers Co., for a pageant to be given in Richmond as near the first of next June as possible. It is sincerely hoped that the co-operation of all other clubs and ladies organizations in the city that the Exchange Club can give to the people of Richmond, Madison county, and all neighboring counties something they have never seen before, and at the same time derive from it a hands-on donation to the new hospital fund. The Exchange Club realizes to the fullest extent the great need for a better hospital for Richmond, and is going forward in a great stride to make a magnificent hospital possible. More will be said of this pageant from time to time as matters both large and small are worked out.
